

We are proud of our tradition of service,
past present and future.

The Captain James A. Lovell Federal Health Care Center supports innovation, empowerment, productivity, accountability and continuous improvement. Working together, we provide a continuum of high quality health care in a convenient, responsive, caring manner.

Mission: As the first integrated federal health care facility, we are proud to provide comprehensive, compassionate, patient-centered care to our veterans and DoD beneficiaries while maintaining the highest level of operations readiness.

Vision: Creating the future of federal healthcare through excellence in world-class patient care, customer service, education and research.

PGY-2 Ambulatory Care Residency Program

Program Purpose

The PGY-2 Ambulatory Care residency program is an ASHP accredited program at the Capt. James A. Lovell Federal Care Health Center (FHCC) that is designed to build upon PGY-1 residency experiences, provide opportunities to function as independent practitioners, and contribute to the development of clinical pharmacists operating in specialized areas of interest. Upon completion, residents should possess competencies that qualify them for clinical pharmacist and/or faculty positions that will be eligible to attain board certification within the ambulatory care practice setting.

Required Rotations

- **Patient Aligned Care Team (PACT)** - longitudinal experience including time at various sites (Community Based Primary Care Clinics, Department of Defense Medical Home Port, FHCC PACT)
- **Home Based Primary Care (HBPC)** - Longitudinal Rotation
- **Administration**
- **Service Development/Research Project**
- **Centralized Anticoagulation Clinic**

Potential Elective Rotations

- Specialty Pharmacy
- Women's Health
- Oncology
- Informatics
- Mental Health
- Emergency Medicine
- Pharmacy Benefits Management
- Pharmacoeconomics
- Medication Safety

General Information

- One PGY-2 position in Ambulatory Care
- Start date July 1
- 52 week duration
- 8 Federal Holidays + 13 vacation days
